RESOLUTION IN SUPPORT OF STARBUCKS UNIONIZATION IN SAN FRANCISCO

Sponsors: Honey Mahogany, Peter Gallotta, Anabel Ibáñez,
Janice Li, Rafael Mandelman, AJ Thomas

WHEREAS, The passage of the National Labor Relations Act in 1935 led to decades of more equitable economic growth ensuring fair wages, benefits and better working conditions that persisted until the late 1970s when attacks on collective bargaining fueled rising inequity and stalled economic progress for American workers; and

WHEREAS, While the Democratic National Committee and the California Democratic Party platforms recognize that strong American labor unions help increase wages and job standards for workers across the country and across the economic spectrum, and the right of workers to come together and form a union is currently under attack, undermining worker power, leading to lower wages, less protection for workers, and destabilizing the families of low and middle-income wage earners while mega-corporations and their CEO's keep getting richer; and

WHEREAS, Starbucks employees—nearly 200,000 workers across more than 9,000 company-operated stores in the United States—have led self-organized efforts to unionize over the years, and have filed petitions for union elections at 150 stores across 19 states, and while Starbucks says that it supports the right to unionize, the company is actively working to thwart unionization by requesting National Labor Relations Board (NLRB) offices to refuse elections on a store-by-store basis and intimidating workers by reducing hours, transferring employees, closing stores, and even sending top corporate officials to stores that are unionizing, as a result, the NLRB recently filed a complaint accusing Starbucks of more than 200 labor laws violations in Buffalo and is pursuing cases in federal courts on behalf of workers who faced retaliation in Memphis; now, therefore, be it

RESOLVED, That the San Francisco Democratic County Central Committee (SFDCCC) stands in solidarity with workers fighting for their rights to organize and commends and supports the organizing efforts of Starbucks Workers United, who have unionized more than 50 Starbucks stores, and specifically supports union drives at the Starbucks locations within the City and County of San Francisco; and be it

FURTHER RESOLVED, That the SFDCCC calls on Congress and the Biden-Harris Administration to redouble their efforts to pass the PRO Act, which would impose financial penalties for violating federal labor laws.

WHEREAS, Trans and cisgender women, the LGBTQ & TGI communities, people of color, people with disabilities, and the young and the elderly disproportionately experience harassment in places open to the public, including on transit and in businesses; and

WHEREAS, Harassment, including unwanted words, gestures, or actions that are forced on a stranger because of their real or perceived identity, which can include racialized or sexualized slurs, severely limits a person's freedom of movement; and

RESOLVED, That the San Francisco Democratic County Central Committee supports SB 1161, Transit Operators Street Harassment Plans, authored by Senators Dave Min and Susan Rubio, and Assembly Member Miguel Santiago, which requires the top ten transit agencies to address harassment on their transit systems, and urges the legislature to fund the SB 1161 budget request led by Stop AAPI Hate; and, be it
